## TOM ODELL

**Interview by Rhona Harris**  
 Tom Odell Is The Blonde Haired, Baby Faced Jeff Buckley-ish, Piano Thumping Singer-Songwriter That Everyone Has Lost Their Mind Over This Summer. And Quite Rightly So.

**This guy gets angry (mostly about heartbreak), really fast but doesn't use the guitar as the ultimate revenge organ. Instead, he'll just sit down at the piano and hammer out some chords. The piano is his thing, and he used to play it from the age of 12. It's not just a hobby, it's his thing. It's what he does when he's alone and he's thinking about you.**

**TOM ODELL:** I've always been a bit of a piano player. I don't know if it's just the way I was brought up, but I always felt that the piano was my friend. It's always been there for me, and it's always been a part of my life. I think that's why I've always been a bit of a piano player. I don't know if it's just the way I was brought up, but I always felt that the piano was my friend. It's always been there for me, and it's always been a part of my life. I think that's why I've always been a bit of a piano player.

**TOM ODELL:** I don't like to think of myself as a singer. I think of myself as a songwriter. I think of myself as a pianist. I think of myself as a musician. I think of myself as a person who likes to play the piano. I think of myself as a person who likes to write songs. I think of myself as a person who likes to play the piano. I think of myself as a person who likes to write songs.

**TOM ODELL:** I don't want to be photographed at parties or falling out of a cab. That's something I don't want to do and I learnt that very quickly.

# The BALLADEER

**TOM ODELL:** I don't really know my means behind it. I've always been a bit of a piano player. I don't know if it's just the way I was brought up, but I always felt that the piano was my friend.
